

David Wildman - Acting Postmaster  
Los Gatos, California 95030

Dear Mr. Wildman,

We neighbors of Old Ranch Road would like to have delivery extended down our road, rather than delivered to a group of mailboxes at the intersection of Old Ranch & Hutchinson roads. While this would add distance (approx 1 1/4 miles from beginning to end) and time to your carrier's route, this would be much, much more convenient for us to send & receive regular mail, packages, and certified mail. In addition, we feel this would totally solve the problem of stolen US Mail from our Hutchinson Road mailboxes, which many of us have experienced over a long period.

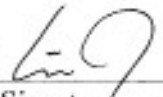

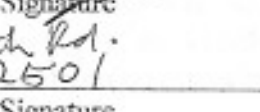

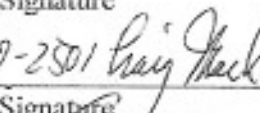

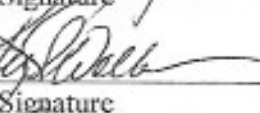

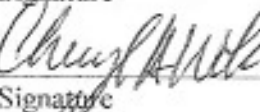

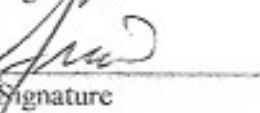

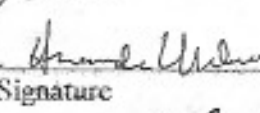

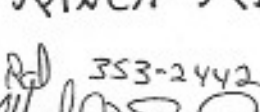

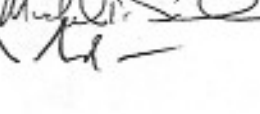

We believe that there are at least 3 homes in each 1/4 mile of our road most/all the way to the end, and that there is room to turn around your mail truck at the end of the street, in any neighbor's driveway, and/or at some of the offshoot roads along Old Ranch.

Thank you very much for your mail service, and for your consideration of our request. Please let us know if there is any further information we can provide to help you help us.

Sincerely,
